Local Entrepreneurial Development Exam (correction)

The first question (10 points): Answer with True (✓) or False (X) with justification in case of error.

1- Allain Fayolle defined the entrepreneurship as a special case through which economic and social wealth is created.

.....

2- Proactivity or initiative: related to doing things through perseverance and the ability to adapt.

.....

3- Say, did not distinguish between the entrepreneur and the capitalist.

Say, distinguished between the entrepreneur and the capitalist.

4- On the social level, contributing to economic growth is one of the entrepreneurship role.

... On the economic level.....

5- Due to their small size, entrepreneurial projects can adapt quickly to changes in the market and economic environment.

.....

**The second question(04 points) : In this exercise, you will choose the correct sentence related to the paragraph.**

These projects often rely on technology and information technology to enhance their operations and provide more efficient solutions.

- Small to Medium Size.
- Innovation and Creativity.
- technology and Information Society.
- Risk and Opportunity.

Through innovative approaches, entrepreneurs may develop solutions that reduce the negative environmental impact of various industries and activities.

- Promoting sustainable practices.
- Reducing environmental impact.
- Encouraging resource efficiency.
- Fostering awareness and responsibility.

**The third question (04 points): In a few lines, discuss the Algerian legislator's definition of entrepreneurial projects.**

An entrepreneurial project is defined as institutions engaged in the production of goods and/or services, regardless of their legal nature. These institutions must meet the following conditions:

- Employ between 1 and 250 individuals.
- Have an annual business turnover not exceeding 2 billion dinars or a total annual revenue not exceeding 500 million dinars.
- Meet the criteria of independence.

بالتوفيق للجميع
